Dear Mayor James:

Thank you for writing Mr. Petersen with your suggestions concerning anti-theft alarms. We share your concerns about the auto theft problem, particularly in large cities.

Ford is fully committed to reducing auto theft and has introduced a number of important theft-deterrent features as standard equipment on its vehicles. Ford also has ongoing programs to incorporate additional improvements to thwart vehicle theft.

It was most thoughtful of you to send us your observations and recommendations on this important subject.

Again, thank you for writing.

Sincerely,

J. M. Leinonen
Executive Engineer
